

Kimball Hill Park  
3301 Campbell Street, Rolling Meadows, Illinois

Client: Rolling Meadows Park District  
Architect: Martin Associates  
Role: General Contractor

International Contractors, Inc. completed site work including a mile-long walking trail, excavation for a new retention pond and water aeration system, two baseball fields, site lighting and concrete pads for several new benches.

Also installed, were two (2) prefabricated bridges (35' and 20'), including all associated support structures. Minor renovations to an existing park building were completed.
