

Spring Rock Park Re-development Burlington & Central, Western Springs, Illinois

Client: Western Springs Park District
Architect: Edwards & Kelcey Design Services
Role: Construction Manager

International Contractors, Inc. (ICI) was selected as Construction Manager for improvements to Western Springs Park District's Spring Rock Park. ICI and the architect were hired concurrently and worked together to meet the owner's constrained schedule and budget.

Spring Rock Park is the largest of Western Springs' eleven parks. Facilities added to the 42 acre park included an ice/in-line hockey rink, a lighted

baseball field with perimeter fencing, a 2-field soccer/football complex, pedestrian paths and water lines.

Upgrading and repair of the existing facilities included improvements to the existing baseball fields and repair of pedestrian paths.

International Contractors, Inc. completed the redevelopment project on time and on budget.
