

St. Elizabeth Seton Great Hall
222 Lisson Road, Naperville, IL

Client: St. Elizabeth Seton Parish
Architect: Oppermann Bilsland Architects
Role: General Contractor

International Contractors was selected as the Construction Manager to convert the last unfinished area of the lower level in the church to a multi-purpose center.

ICI worked with the architect to evaluate materials and select the ones that best fit the needs of the room while also staying within the established budget.

The goal was to select finishes that were durable for children's play, yet elegant for Sunday services.
